Hiring Manager

EPI Holding

Beirut, Lebanon

Subject: Application for Operations Inventory Specialist

Dear Hiring Manager,

I am writing to express my interest in the Operations Inventory Specialist position at EPI Holding. As a Management Information Systems (MIS) student at Beirut Arab University with a GPA of 3.97/4, I am eager to apply my academic knowledge and practical experience in accounting and business operations.

During my internship at Puffzone, I have supported accounting and operational activities, including cash management, cash closing reports, payroll support, reconciliations, financial reporting, and maintaining accurate records using Microsoft Excel. These responsibilities strengthened my attention to detail, analytical thinking, and ability to work efficiently in a fast-paced environment.

In addition, my experience in customer service and managing an online business has developed my organizational, communication, and problem-solving skills. I am a quick learner, highly motivated, and eager to contribute positively to your team.

Thank you for considering my application. I would appreciate the opportunity to discuss how my skills and enthusiasm can contribute to EPI Holding. I look forward to hearing from you.

Sincerely,

Jana Wahab
